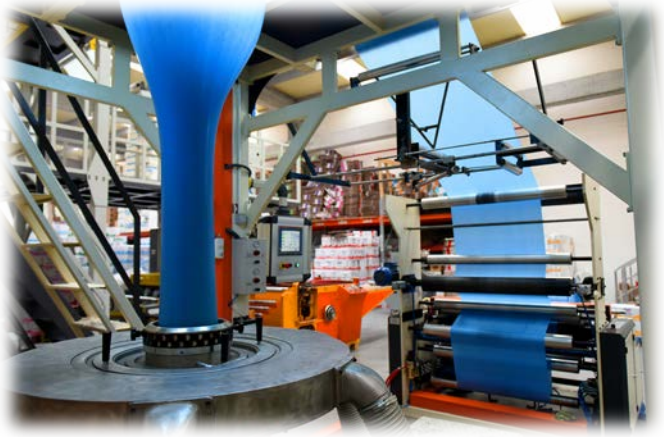
Who is TEMAPlast?

Tema Plast®

A better World

ponti

1986 was the year in which our group began to serve the wholesale and retail trade sectors with cleaning supplies in Tahtakale in the heart of Istanbul, Turkey. Subsequently, in 2017, we established ***TemaPLAST*** for the production of all kinds of plastic-based bags



TemaPlast®

A better World

ponti

TemaPLAST produces the **PONTI** brand of plastic bags with **32** years of sector experience and accumulated knowhow; our eco-friendly product range of garbage bags, medical waste bags, industrial waste bags and private-label-branded bags is in **24/7** production in our state-of-the-art production facility

Tema Plast®

A better World

ponti

TemaPLAST, which is respectful of nature and has acquired a reputation for quality, can meet all kinds of plastic bag needs in a timely manner. We produce **1,500** tons per year.

Our company, which utilizes the latest technological advances in the production cycle, adopts an environmentally friendly production philosophy by using recycled raw materials
